Let's talk about your needs individually. Please contact us directly at 406-219-1010. Those with severe allergies should know that our kitchen facilities are often exposed to common allergens like gluten, dairy and nuts.

### **Are there farm based activities, like berry picking, for us to include in our party?**

Based on the season and the farm's availability, we may be able to incorporate farm activities like berry picking, apple picking or cider pressing into your party. The cost is an additional \$5 per guest.

### **What happens if I need to cancel/reschedule?**

Cancellations require two weeks notice for a 50% refund. Rescheduling is based on availability and incurs a \$150 rescheduling fee.

## PLANNING YOUR PARTY (CON'T)...

### **What should I tell our guests to wear or bring?**

Guests should know that the party is hosted on a farm - plan to get dirty and have fun. Please ask your guests to wear sunscreen, bring a sun hat, water bottle and extra layer. Closed toe shoes are a must.  
No sandals!

### **What are the seating options for party?**

Seating is rustic and limited. Dining will be picnic style. If you or a guest prefer a proper chair, please bring your own.

### **Can I bring decorations?**

While we feel the setting needs no embellishment, we respect your desire to decorate. There is limited structure to affix your decor. Due to the sensitive nature of BOB, no decorating can take place on the bus. Plan to pack your decorations back home with you as trash disposal is limited and we must leave the farm just as we found it.

## DAY OF

### **Where should I park?**

Turning on Rocky Creek Rd, you'll cross the railroad tracks and proceed another hundred yards where you'll see the farmstand. Park here.

### **Will the farmstand be open?**

The farmstand will be open and undoubtedly bursting with a seasonal bounty of fresh, organic and delicious produce. You and your guests are encouraged to shop and support your local farmers while visiting!

### **It's raining?!**

We won't let a little rain shower spoil the fun! Grab your rainboots and a jacket and remind your guests to do the same. We'll shift the programming to covered structures as much as we can. Please note, however, that even in a rain shower, we will spend a portion of our time outside, so do plan accordingly!
