

# 2020 Farm to School Month Sponsorship Packet

October is National Farm to School Month (F2SM), a time when we celebrate food education, school gardens and empower children and families to make informed food choices.

## Why Sponsor Farm to School Month

Did you know that 4 out of 5 children in the Gallatin Valley are not eating enough fresh fruits and vegetables?

Your generous support allows us to: educate more children and families about eating local, healthy food; work with schools to incorporate more local produce into school lunches; and to create a vibrant food system that supports local growers. Each year our programs reach more than 5,000 children and family members around the Gallatin Valley.

### Farm to School Month Activities

**Festival** - A scavenger hunt through downtown Bozeman to participate in local food activities

**Crunch Time** - A statewide event to celebrate local food by crunching into locally and regionally grown apples

**Virtual Cooking Classes** - Recipes featuring Montana Harvest of the Month products

**Kids and Veggies Photo Contest** - An opportunity for kids to actually play with their food

## Sponsor Benefits

	Harvest Sponsor <b>\$1,500</b>	Veggie Sponsor <b>\$1,000</b>	Sprout Sponsor <b>\$500</b>	Seed Sponsor <b>\$250</b>
